

"The IHLTA have now registered with [my charity.ie](http://mycharity.ie) and the link for this is as follows:- [www.
mycharity.ie/charity/ihlta](http://www.mycharity.ie/charity/ihlta)

This will make donating and fund raising so much easier. So if you are participating in the mini marathon or organising a fundraising event like an afternoon tea party, cycle, coffee morning or donating to the IHLTA instead of gifts for occasions, it is now very simple to create your own fundraising page and nominate the IHLTA as your Chosen Charity.

[My Charity.ie](http://MyCharity.ie) is an excellent website with clear illustrations and a helpline for any queries.
